Class 5's Minack Theatre Dance Show

On Wednesday, Class 5 were given the fantastic opportunity to perform a dance routine alongside three other local primary schools at The Minack Theatre. The event was organised by the Spindrift Dance Collective who came into school on the first day of term and introduced the dance to us.

Because our topic this term is 'Monsterology' and our class read is Dr Jekyll and Mr Hyde, we wanted our dance to reflect this - showing the light/good and dark/evil characters and the conflict and inner torment within the book.

We have been extremely lucky and need to say a huge THANK YOU to the talented Charlotte Smith who has been helping us develop, practise and perfect our routine, resulting in an amazing performance which we were really proud of.

Here's what a few of us said:

"It was really fun as we got to see other schools performances and also at the end we did a final dance where we could pull our parents up to dance." Demelza

"I really enjoyed our battle scene as we could show our good and bad characters. I also liked that we had a big audience to watch us." Lola

"It was a little daunting at first but we soon got used to it and the view was beautiful." Logan

"Our nerves soon turned into pride as we performed on the stage at the Minack with it's stunning scenery behind us. We smashed it!" Ava

"I enjoyed doing our trio dance and performing our unique piece. I felt nervous to begin with but as soon as I got on stage I was confident and had a great time." Hayden

"The other schools performed their own very different dances which was great to watch." Cody

Missing school jumper

Harry Morton from Class 5 has lost his school jumper. It has been missing since last Friday and does have MORTON embroidered on the front. Please would you mind having a quick check (especially boys from last Friday's football match) to make sure it hasn't been taken home by mistake. Many thanks
