### Inclusion & Dyslexia Friendly Status Re- Accreditation

This year the school is working towards achieving our re-accreditation for Inclusion and Dyslexia Friendly Status. This is a nationally recognised award that is run in partnership with Dyslexia Cornwall.

#### What this involves and why this is important:

The IDFS process involves the school undertaking a whole school audit, which allows us check that throughout the school we are developing practice that is inclusive & dyslexia friendly- good practice that ultimately impacts upon the learning of all pupils. The audit includes looking at a number of areas including:

- Leadership & management,
- Staff training,
- Teaching & learning including assessment & planning & the school/ classroom environment and resources,
- Partnership with parents/ carers and
- Working in partnership with children/ young people.

The school last achieved this award in 2014 and it needs to be reviewed every 3 years. Therefore since September I have been working with the Cognition & Learning service to prepare our school for our accreditation on **Thursday 7<sup>th</sup> June 2018**.

#### Therefore the whole school will be working towards this IDFS re- accreditation through:

- Whole school staff training, including governors on Monday 19<sup>th</sup> March
- Staff training within teacher staff meetings
- Updating the school website to ensure parents have access to information about Dyslexia and other potential barriers to learning
- Raising the children's awareness and understanding of differences & inclusion, through KS2 assemblies

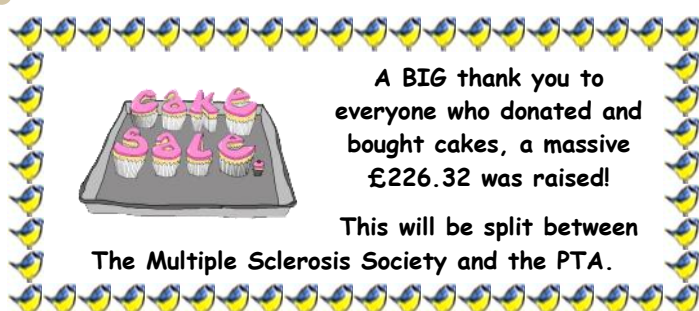

We would like to involve the parents as much as possible in this process. We will be exploring the idea of developing a parental 'steering group' for this process, so if you think you could be involved with this could you give your name to Dot or email me on : [michellebrant@st-hilary.corwall.sch.uk](mailto:michellebrant@st-hilary.corwall.sch.uk)

I would also like to see if there is enough interest for parents to attend an information evening-after school session based on Dyslexia and Inclusion, covering topics such as Neurodiversity, What is Dyslexia? and How can we support it? If you would be interested in such an event please could you give your name to Dot or email me on : [michellebrant@st-hilary.corwall.sch.uk](mailto:michellebrant@st-hilary.corwall.sch.uk)

In the meantime if you have any specific questions about your child please ask your class teacher who can liaise with me.

Many Thanks,

Michelle Brant- Special Needs Co-ordinator (SENCo)

### Class 5 Plea!!

Class 5 are about to undertake an exciting new area of learning and are looking for donations of driftwood (no bigger than 40 cm please!) to use in some craft-making. We are also looking to borrow travel guides that anyone would like to lend for the next stage of our topic work. If you would like to drop off any books to Miss Burman or Dot, would you mind popping your name inside so that we can return appropriately.

Many thanks in advance
