Lamorna Class Camp - Porthpean 2018

From the 25th-27th of June Year 6 went to Porthpean for their camping trip. We had an amazing experience that we will always remember. When we arrived on Monday, firstly we had a tour of campsite then had lunch. We then split into two groups, one did indoor climbing while the other did archery and then we switched over. We met back at camp, enjoyed a bit of free time and had our dinner. After our meal, we walked down to the beach, some of us were skimming rocks while the others went to find crabs. We then walked back to the campsite (up a really steep hill!!) had a snack and played around the tents until it was time for bed - it was quite late!

On Tuesday we woke up at 5:20 (Mr Hamshar said it was, "Far too early!") and got ready for the day before going to have breakfast. We then got our wetsuits on and began our beach day. Some of us did Coasteering while others did SUPing (stand-up paddle-boarding), canoeing and kayaking. We then went back to our tents - after washing our wetsuits and buoyancy aids - played football and cricket, had dinner and then went to bed as we were really tired.

On Wednesday, we woke up much later than the previous day. We got packed ready to go home, after that, we had our breakfast before starting our morning activity, which was High Ropes. The High Ropes consisted of several challenges that included Jacob's ladder, Leap of Faith, Zip wire, and the Wobbly Bridge. We all 'faced our fears' on these activities and Mr Hamshar was especially brave!

Year 6 Go-Carting

On the 20th June twelve children from Class 6 and two go-carts travelled to RAF St Mawgan to participate in the Greenpower Inspiring Engineers Go-Cart Challenge.

The go-carts - Spirit of Ellie and Speed Goncarlez - each had a team of six children who had to complete a number of races. The children each completed a slalom race which required them to drive between cones and finish in a box. We lost a lot of tyre rubber on that one! They also had to take part in a drag race which involved driving as quickly as possible in a straight line and again stopping really quickly. The smell of burning rubber was really in the air at that point. The final race for each go-cart was a longer sprint race around the runway five times. Only one driver for each go-cart could participate in this race. Jack Baker and Kyra McKay-Smith were chosen and they were both extremely speedy and overtook a number of other carts.

Spirit of Ellie team - Lilou, Molly, Lola, Taylor, Jack and Dylan

Speedy Goncarlez team - Joe, Kyra, Marie, Flynn, Jamie, Elliot

All of the children drove the go-carts with skill and determination, their behaviour was impeccable both to the event organisers and the other teams competing. We had a fabulous, fun day despite the early start!

Many thanks to Graham Mitchell who not only helps maintain the go-carts, comes to all the practices, does the time-keeping, buys the teas and without whose help and commitment we could not take part in this event. Also thanks to Miss Rowe who came with us on the day.
