## End of the year report

Well here we are at the end of another busy year! It really doesn't seem like 2 minutes ago we were in September looking forward to the year ahead.

It has been another really successful year for the school in so many ways, and the children have continued to make us proud time and time again. There have been a multitude of successes covering just about all aspects of school life and whilst there is always more work to do, there is lots to smile about!

I would like to take this opportunity to thank **all** of the staff who inspire our children day in, day out. The passion that they put into teaching and providing the children with exciting and engaging experiences both in and out of the classroom is incredible and I couldn't be prouder and more grateful for all that they do. Until you spend time in a school it is very hard to understand just how much goes into making the day-to-day cogs turn...and without the energy and commitment of those that sit behind the scenes...the cogs simply wouldn't turn!

This term we say 'goodbye' to Nicky Randall who has worked with us as a teaching assistant for the past 3 years. Her energy and enthusiasm has known no bounds over the time she has been with us and we shall miss her hugely. Thank you Nicky and remember where we are!

We also say goodbye to our fabulous year 6 children. It is always with both happiness and sadness that we say good-bye as children move onto Secondary school. They have been a fantastic class and whilst we will miss them, I know that they are moving on as happy, committed, enthusiastic, kind and caring young learners. I look forward to hearing of their future successes and am very proud of them all!

So finally, I wish all of our children and families a fabulous summer break and look forward to seeing everyone back in September re-charged and ready for another busy year!

### Mathletics – 10<sup>th</sup> – 16<sup>th</sup> July

A massive well done to Adelaide Trevennen who has worked tirelessly in recent weeks to be at the top of the leader board. She becomes our overall KS2 star and therefore 'Mathlete of the Week' with an outstanding amount of points being the highest achiever in the Mathletics Launch Competition.

However, a close well-deserved runner up goes to Thomas Mann who was our highest R/KS1 child in 2<sup>nd</sup> place – a super effort!

A RECORD number of certificates – 79 in total achieved last week with 250,000 points in all – an awesome effort. This takes us over 4.2 million mark – what a fantastic year!

### MATHLETICS LAUNCH CHALLENGE

As mentioned last week, the children have been participating in the Mathletics Launch Competition where each Mathletics School in the country battled it out in a contest to see who could achieve the highest points. At the half way point, St Hilary was 32<sup>nd</sup> place out of 221 schools. At the end of the competition, we ended with 21<sup>st</sup> position which we're incredibly proud of!

Well done to all children who participated in the past two weeks of Mathletics – More in-school competitions next year. WE ROCK!

**New sports kit sponsored by Move Well Soft  
Tissue Therapy**

Katie's scope of practice as a Soft Tissue Therapist includes posture assessment and the assessment of the soft tissues of the body to help prevent and manage dysfunction, injury, pain or physical disorders. This is achieved by the physical and manual manipulation of the soft tissues with supportive advice on rehab, exercise and training.

Deep tissue sports massage is also available using advanced techniques to help prepare or recover from sport as well as providing a good muscle maintenance experience caused by everyday stresses

Move Well Soft Tissue Therapy is based in Breage in a rural and peaceful setting.
