Year 4 Delaware Camp 2018

Last Wednesday, our excitable Year 4 children ventured off on their travels to the beautiful climes of Delaware, North Cornwall for a fun packed three day residential. As always, the trip was a huge success with every child giving it their all and challenging themselves in different ways. Some of them were anxious about the outdoor activities that were on offer which were: mountain biking, moorland walking, indoor climbing and canoeing. However, others were anxious about being away from home for the first time. Despite these worries, each child showed real resilience and determination to conquer fears and thoroughly enjoyed themselves!

We love Delaware because it gives children experiences in different environments that they may never have had before, promotes leadership and team work skills as well as independence and confidence. The instructors at the centre were simply incredible; extremely calm, understanding, encouraging and fun - they really made the children's experience memorable!

Here are some comments from the children:

I really enjoyed it and I thought I wouldn't like the moorland walk but I did. I would recommend it! ~ Beth WR

My favourite part of Delaware was doing a Mexican wave off the canoe because everybody laughed. ~ Alfie

Camp was amazing. I loved it but now we're not there, I really miss it. ~ Milly W

Breakfast was mouth-watering, I want to stay at Delaware again. ~ Leo

I really enjoyed Delaware because it was very challenging but fun. My feelings changed because at the start I was worried and at the end, I was happy. I would definitely recommend it to anyone who loves the outdoors. ~ Emma

Now that camp is over, I feel really sad because I liked all of the activities. ~ Shilah

Indoor climbing was my favourite part of Delaware because it was my first time doing it and it was really fun. ~ Isabelle.

I feel happy and sad. I want to stay at camp but I'm happy that I'm back with my family. ~ Oscar S

Canoeing was my favourite because I found out that I was actually good at it and it was so fun! ~ Mia

I enjoyed it very much, it was 10/10. ~ Sonny

A **massive** thank you must go to all our staff; Miss Rowe, Mrs Ballard, Mrs Greygoose, Mrs Izzard and Miss Brant who voluntarily gave up their time to accompany the children on camp, without them they would not be able to participate in the activities. They all have families of their own, which need to be organised to survive the days without their presence! They were simply incredible and I couldn't have done it without them. Thank you also to the parents for trusting in us as we understand just how hard it can be to leave children for the first time.

Photographs of the camp, all 800+ are on the website under Gwithian Class information page so please take a look and enjoy.

Here's to Delaware 2019!

Attention all parents

St Hilary is hosting a free course on the 9th and 10th May from 09:30-14:00. The course is called 'Speakeasy' and it is designed to help with those awkward conversations we need to have with our children about sex and relationships. It is a really helpful course with loads of helpful advice and tips. If you would like to come along please complete the form by following this link

https://www.healthycornwall.org.uk/index.php?page=training-booking-form&course=108&course_date=474

The course is run by the Health promotion department and not by the school which is why the form needs completing. Hope to see you there!
