What we've been up to in Gwenver Class

Time certainly does fly when you're having fun! We have had some fantastic opportunities for learning both in and out of school this year. The children have certainly pushed their boundaries and taken risks with their learning, showing a real thirst for knowledge.

In the autumn we started our history based on the Anglo-Saxons and had our Anglo-Saxon day of fire making, den building and created small Anglo-Saxon house from withies and clay. These were then raffled off to the lucky winners to take home!

In the spring we asked the question 'Is the Next Stop Mars?' and explored space and meteorology. We researched our solar system and had the opportunity to explore the 4D science dome that was set up in the school hall. Children took a roller coaster through the Milky Way, we developed our longer narrative writing and used 'Cosmic Collin in the Stinky Space Race' by Tim Collins to inspire our own space adventure story and built moon buggy's with Mr Davey. Our project then evolved into the study of meteorology and weather whereby we set up a school weather station and welcomed Pirate FM in to plan and record news bulletins.

And finally we are currently diving head first into the study of 'Monsterology'. We have been reading 'The Strange Case of Dr Jekyll and Mr Hyde' by Robert Louis Stevenson and used this to inspire our own horror stories. We have created encyclopaedia entries based on our own monster designs and are currently planning our real project outcome using life-size monsters and will be writing script on these monsters using inspiration from the work of Sir David Attenborough, watch this space!

I would like to take this opportunity to thank Class 5 for their motivation, engagement and commitment to learning. I have only mentioned a snippet of what has taken place this year and hope the photographs share a little more!

Mathletics – 26th June – 2nd July

A massive well done to Adelaide Trevennen who is our overall KS2 star becoming our 'Mathlete of the Week' with a HUGE amount of points and is our first Year 3 to be at the top for quite some time. An awesome job!

Well done to Poppy Mann who was our highest R/KS1 child in 2nd place – a super effort!

The next two weeks is the New Mathletics Launch Competition meaning that every point counts. Can St Hilary become one of the highest placed schools in the country? Who will achieve the most amount of points in the school and in each class? Children have until the 16th to compete – good luck all!

St Hilary School		26 June 2017 - 02 July 2017		
Top Students		Activity Points	Live Points	Total Points
Trevennen, Adelaide	>	8,120	467	8,587
Mann, Poppy	>	3,720	0	3,720
Wright, Harriet	>	3,230	0	3,230

ITALIA CONTI PERFORMING ARTS SCHOOL

**PLEASE SEE DETAILS ON
REVERSE PAGE**

TO CONTACT US EITHER CALL US ON
07711166869 OR EMAIL US AT
INFO@ITALIACONTIPENZANCE.CO.UK.

Italia Conti is the oldest Performing Arts school in the world and has been producing incredible talent since 1911. Classes will be held on a Saturday 9-5 with classes covering various aspects of dance including ballet, tap, jazz and contemporary as well as acting and singing to exam level ISTD and LAMDA or non exam classes if required. The school will be available to all ages from 2 years up and there will be links to the main school in London for any budding performers.

Come along and join us at Humphry Davy school, our aim is to help build confidence and self esteem and allow each student to develop and grow at their own pace, we have some incredible and inspirational teachers who will help to nurture and guide you. The classes are fun but at the same time we require a level of professionalism, each child is expected to wear uniform in the form of an Italia Conti t-shirt which is compulsory. This can be ordered through us. All information for ballet and tap uniform and classes is available on our website www.italiacontipenzance.co.uk.
