Perran Class

Perran Class has 26 reception children who have all settled into school life remarkably well.

We began our topic of Food Glorious Food with a Teddy Bears Picnic on the school field which we shared with Mrs Sandows Class, Prussia Cove. Although the weather could have been kinder we all had a great time. We made the sandwiches earlier in the day and also had biscuits and squash. Our teddies all seemed to enjoy the picnic as did the children! It was a great introduction to our topic!!

The first half term was long but we seem to have filled it with plenty of things: we have been on welly walks and thanks go to the parents who come along to help too.

We have had a trip to Trevaskis farm and seen lots of things that grow on a farm, we even ate strawberries!

We have had the apparatus out in PE and climbed to the top of the climbing frame, giving Mrs Gardner kittens on how high we can climb!!

We have been learning letters and sounds and recognise that a sound is called a phoneme and the way we write it is a grapheme. We are beginning to blend our sounds to read simple words. We are counting and ordering numbers, we are making repeating patterns.

We are using the laptops and ipads every day and even use the interactive whiteboard. We are sharing our resources and learning to take turns, we are recognising how we feel and can explain if we are happy or sad. Most of all we are all having FUN in Perran Class.

Due to whole school Child Protection training, there will be no Funzone on Monday 6th November.

Mathletics – 16th October– 22nd October

A massive well done to Oliver B who has claimed the top spot becoming our KS2 star and therefore the 'Mathlete of the Week' with a super amount of points.

However, well done to Elena Kerslake who becomes our highest R/KS1 star of the week in a respectable 4th place!

What a way to end the half term!

Maths Bonanza

We would like to invite you to an evening of Maths fun where you can gain a further insight into how we teach at St Hilary School. There will be practical ideas to engage your children with maths at home. Please note that no maths knowledge is needed!

Date: Monday 20th November, 6pm-7.30pm

A letter will be sent out early next week to gauge interest.
We look forward to seeing you!

Jam making

Prussia Cove and Perran Class are making jam on Wednesday 8th November as part of their 'Food, Glorious Food' topic. If you have any spare jam jars or blackberries that you would like to donate then please bring them in next Wednesday. We are also hoping to use red gingham material to cover the jars so if you have any old summer St. Hilary dresses we would appreciate these also. Thank you!

A BIG thank you to everyone who baked for and bought from the Halloween cake sale, we raised an amazing £227!!'

Camp Meeting

Year 4 Parents
Delaware Camp meeting
