Pupil Parliament- SCHOOL BADGES

As you will know, our school badges have been going for years now. We like these badges a lot, but we think it's time for a bit of a change.

We have found that the majority of children don't wear their badges - having four badges on your jumper at once can be fiddly and a bit annoying. Constantly backs of badges are being lost and the badges are really expensive to buy and replace if they are lost, which means that we have less money to buy fun equipment.

The Pupil Parliament has decided that the system will change so that certificates will be awarded for each of the four areas and then one school badge will be awarded when all four areas have been achieved. The four areas are still: Creativity, Healthy Living, Academic and Kindness, Consideration and Respect.

So this is the chance for children to design the new badge. We have started a competition so that anybody can have a go at designing the new badge and then all of the children in the school can vote for their favourite design. The closing date for the competition is Monday 29th January and designs can be given to Mrs Butcher or taken to Class 6 for the Pupil Parliament to collect.

Census Day School Dinners

We hope that all of the children who had a school dinner on Thursday enjoyed the Census Day Italian themed dinner. I understand that a few children were 'gently persuaded' to give the meal a go to support the school funding. We had an additional 14 children compared to the last census day which equates to an additional £6118 in funding to the school- this ensures that we are not 'out of pocket' for infant meals provided in the future....so thank you!

Front Door Security

Our school security procedures are always under constant review so that we can ensure that the children and school property are kept safe at all times.

From Monday, the external front door to the reception area will be locked from 4.15pm with a door bell situated on the door so that parents can still get our attention if needed!

Mathletics – 8th Jan –14th Jan

Thomas Mann has achieved the top spot AGAIN. There was only 5 points in it – wow! Congratulation to Daniel and Ava who also scored over 7,000 points. Thomas therefore becomes the KS2 star and 'Mathlete of the Week'.

Daniel has become our highest R/KS1 star of the week! Well done ☐

Head Lice

We have recently had more reports of children having Head Lice. To prevent the Head Lice spreading, please could you check your children's hair regularly and if any head lice or eggs are found, take appropriate steps to eradicate them e.g. the 'wet-combing' method which involves washing the hair, applying conditioner and combing through with a special 'nit comb'. We have a limited supply of 'nit combs' - please see Dot
