Kynance Cove Class become farmers for the day...

On Tuesday Kynance Cove Class went to the Farm and Country Day at the Royal Cornwall Showground. This term, we have been learning all about the Stone Age so it was really interesting to compare what has changed from the very first farmers to farming now.

We saw pigs, cows, goats, sheep, chickens, chicks, weird geese, ducks, tractors and a combine harvester worth £250 000. We ate cheese, ice cream, vegetables and cucumber. We drank apple juice and we learnt how to milk a cow and had lunch sitting on straw bales.

Ava enjoyed the egg machine because she likes chicks. Ruairi enjoyed stroking the baby lambs because they were so soft and cute.

Charlie enjoyed all of it because it was so cool. Gethin's favourite part was milking the cows because he got to stick his finger in the milking pump.

Noah was very interested in the pigs and cows. Elisha liked the baby lambs because they made really cute noises. Miss Jelbert liked it when the children cuddled into the animals.

Dom enjoyed the baby chicks because they were so cute. Jenna liked watching the cows poo and liked drinking the apple juice.

Alexander liked milking the cows and making the apple juice. Noah M liked eating the ice cream because it was so nice.

What a fantastic day we had - thanks for taking us Miss J, Mrs Newing, Mrs Badcock, Mrs Tresidder and all the parents who came along!

Funzone

We have been running Funzone as an after school club for the past 7 years and during this time we have never had to increase our prices. Unfortunately due to rising staff costs and other costs we are having to increase the hourly rate from £3.40 to £3.60 with affect from 1st April 2018.

Many thanks

Head Lice

We have recently had more reports of children having Head Lice. To prevent the Head Lice spreading, please could you check your children's hair regularly and if any head lice or eggs are found, take appropriate steps to eradicate them e.g. the 'wet-combing' method which involves washing the hair, applying conditioner and combing through with a special 'nit comb'.
