Pupil Parliament enters the Dragons Den!

During the past term, the Year 4 class have been learning about mining in Cornwall. In that time they have done art, writing and made amazing miners' lunch boxes. Over the past couple of weeks, they have been designing and making their lunch boxes with the help of Mr Davey to show the 'dragons' once they were finished. With the help of Mrs Davies the children learnt how to use persuasive writing elements to persuade us to invest in their wonderful items. Our job was to judge their designs and presentations. This meant that after each speech we had to add up all of the scores and find the winner.

We think the children did a fantastic job. They were prepared to answer questions, read their script loudly and clearly, and show us their lunchboxes. Inside them they all had different things like: a light (that was wired up and fully functional), knives and forks, different shelves for different items and a lock to keep everything safe. We liked how every box was different and unique. Some had tools that came with the lunchbox and others came with sandwiches and pastries. Some even came with reflective strips and bright colours so that they could be seen in the dark. My favourite lunchbox was one with an extra space on the outside for a drinks bottle.

We all enjoyed the experience very much and thought that the children made excellent lunchboxes. My favourite part of the experience was that, as dragons, we were able to work alongside Mrs Butcher to give a score from 1 to 10. They were all astonishing but the overall winners were Flo, Daisy and Lucy. They each won a massive chocolate coin. Most of the children looked really nervous to begin with but we reassured them that we wouldn't bite!

All of the dragons want to say a massive well done to the children who took part in this project. Great job- you guys were awesome!

By Joel, Cody and Caitlin.

Sadly for us, Kerry Pascoe leaves
us at the end of this term.

Kerry has been with us for 15
years and she will be very much
missed. As well as being an
excellent class teaching assistant working with a
wide range of ages, Kerry has done a fantastic
job of putting our newsletter together for the
past 7 years. Her sense of humour, glamour and
big smile will be missed!

We wish her all the very best in her new job!

A reminder that children return to school on Monday
7th January

We would all like to take this opportunity to
wish you and your families the very best

Christmas and
Happy New Year!
