Pasta and meatballs!

Last Friday I had a visit from a gaggle of year 2 children inviting me to join them on a visit to Ben's Kitchen in Marazion to make and eat their very own pasta and meatballs! In my job, you have to learn to take the 'rough with the smooth' so of course I agreed to join them. ;-) Ben and Janey welcomed the children with open arms and set up three activities for the children to work around- meatball making, pasta and decorating a chef's hat. After working hard on the activities which included some 'ooooohs' and 'eeerrrrs' as they mixed in the ingredients and rolled the pasta, the children sat at the tables to enjoy the food they had prepared.

Here's what a few of the children had to say about their day:

"I absolutely loved every activity, especially decorating the chef's hat and making the meatballs. Thank you Ben for this special day". Lilla

"Thank you so much for letting us go to your restaurant. It was the most amazing experience ever! I really enjoyed all the stages but especially decorating the chef's hat. The meal was the second best meal in my life and I have had roughly 8400 meals!" Taher

"I like the way Ben fed the pasta through the machine and I loved making the meatballs. The best part was eating the pasta and the dessert was wonderful. I really enjoyed visiting Ben's posh restaurant and I would love to go again!" Grace

"I enjoyed making the meatballs because they felt gross. My favourite food was the chocolate cake and the meatballs. Also, I liked feeding the pasta through the machine because once it came out it was flat". Woody

Thank you so much to Ben for his warm welcome and for inspiring the children (and adults!) to become young chefs!

Plea for helpers!

Mr Dyke has kindly let us use his trailer again this year to move the staging up to the church. We will be needing some other strong people to help. We're hoping to start at 8am on Tuesday the 5th of December. If any one could help out please let Dot know.

Many thanks in advance.

A reminder that the last day of term (20th December) will be a 2pm finish. There will be no Funzone on this day.

There will be no Funzone on Tuesday 16th January due to the re-scheduled Child Protection training.

Mathletics – 20th Nov –26th November

Alexander has absolutely SMASHED it with a staggering amount of points and therefore becomes our 'Mathlete of the Week'. It's so brilliant to see a pupil from R/KS1 topping the leader board!

Ava, with another massive amount of points, becomes our highest KS2 star of the week in 2nd position! Her outstanding reign this half term is commendable.

Another 50 certificates achieved last week – only a few weeks until the end of the year.

E safety Parent Meeting

5th December 3:30 pm In Class 6

(Child care available at Fun zone)

Please attend for information about keeping your child safe on line.

As part of our ongoing e safety and anti-bullying work we arrange for the local youth intervention police officer to visit the school to teach children about keeping safe while using the internet.

On the 5th December she will be visiting the junior classes to teach them about e safety.

After school she will be staying to meet with parents for 30 minutes to give important advice about internet safety.

If you are interested and need child care could you please let the office know so that we have an idea about child care numbers.

On Monday 18th December, the school will be taking on the breakfast club which currently runs at Sunny

Corner. As the staffing ratios are different in a school to a nursery setting, we are able to offer this to parents at a slightly cheaper cost of £3.00 for the 8.00am- 8.45am session.

The club will run from the Funzone room, which will allow the use of the room and the top playground. Children arriving before 8.30 will be offered cereal and/ or toast options. If you would like to book your child in for the breakfast club, either as a regular or 'one-off' then please phone the school and a member of staff will be able to organise this. Numbers will be limited so it is important that children are pre-booked for the sessions. On arrival, children should be brought to the school entrance where they can be taken either by parents or staff to the Funzone room. If you have any queries regarding this then please do not hesitate to contact us.
