## School Badges

At the beginning of this year, one of the things that the Pupil Parliament wanted to work on was our school badge system. After speaking to other pupils, and some very good debate amongst themselves, they came to the conclusion that they really like working towards the 4 core areas and the idea that they represent our school ethos well in the areas of Healthy Living, Academic, Creativity and Kindness Consideration and Respect'. However, the children decided that the badges themselves are quite fiddly and children are tending not to wear them, and also that they are easily lost. They looked at a range of alternative options like earning a tie, certificates, awards but eventually decided that they would like to amalgamate the current badges into 1 badge that would be awarded when the 4 areas have been 'earnt' in the juniors and to keep the current star badges for the infants.

Then they set the children across the school the challenge of designing a new badge. Of course, our children are always up for the challenge and there were some fantastic ideas in the designs that were created. The Pupil Parliament struggled to find one badge that stood out as they spotted lots of creative ideas across many of the designs. They decided that rather than choose one design, they would incorporate their favourite ideas into one design.

Our resident arty stars...Lilou and Evie then set to work! Their design has now been sent away to be turned into proofs ready for approval and we aim to be able to award the first set of new badges at the end of this term.

## St Hilary at the Touch Rugby Finals

I honestly couldn't have been prouder of the group of rugby players that we took along to the Rugby League Touch Rugby Final Tournament at Redruth Rugby club on Tuesday - each and every one of represented the school perfectly!

The group did fantastically well to qualify for the finals; in fact, we were the only school to have two teams progress to this stage! The group really have been going from strength to strength under the expert coaching of Matt Nicholas, Rob Ellis and Harry Parton. The children were split into two teams the first made up largely of Year 6 children (Taylor, Jack, Tاليا, Evie, Flynn, Piran, Jos and Lewis) and the second made up of mainly year 5 children (Ben, Valentine, James, Joel, Ruby, Lilou, Oliver, Alex and Harry).

Both of the teams played three matches in total, both managed to get through to the quarter-final stages and both narrowly missing out on progressing to the semis by a one-try margin! In the process, they demonstrated some fantastic teamwork, awesome sportsmanship, bucket loads of talent and determination and great enthusiasm for all things rugby!

The children and school would like to take this opportunity to say a huge thank you to the three coaches for all of their efforts in preparing the team and to Amanda Stevenson for her help with transport that enabled both teams to get to the event. In addition, it was lovely to have so many parents come along and support, your positivity really motivated the teams through their matches.

Well done to the St Hilary rugby teams, we could not have asked for anymore - you are all STARS!

Mr Hamshar

### Mathletics –14<sup>th</sup> May – 20<sup>th</sup> May

A big well done to Archie for being our outright winner last week so therefore becoming the R/KS1 and overall Mathlete of the week.

Well done to Thomas who has entered the top 3 again and becomes our highest placed KS2 Mathlete of the week coming in 2<sup>nd</sup> position – a super job!

Keep it up everyone!

### MINI BUS

Parents/grandparents, do you have a D1 on your driving licence? If so, do you have any spare time to volunteer to drive our school mini bus for school trips etc?

If so please see Mrs Laity in reception.  
Many thanks in advance.

### Head Lice

We have recently had more reports of children having Head Lice. To prevent the Head Lice spreading, please could you check your children's hair and if any head lice or eggs are found, take appropriate steps to eradicate them e.g. the 'wet-combing' method which involves washing the hair, applying conditioner and combing through with a special 'nit comb'.
