

School Summer Concert

On Wednesday our Summer Concert was held in St Hilary Church and was a wonderful celebration of our school's extensive and varied musical talent. There were children of all ages from reception to Y6, singing, playing keyboard and piano, clarinet, flute, cornet, trombone, violin, cello, guitar and even a ukulele - and such a wide range of musical styles and stages of learning!

During the afternoon, the juniors and Y2 were a brilliant audience for the first performance of the day and then family and friends filled the Church for our early evening concert.

I particularly loved the fact that as the day went on, more and more children were asking to be added to the programme and were then able to perform to a big audience with very little preparation time. The confidence that all the children showed and the way they all supported each other (and me) was incredible and made me very proud

to be a part of St Hilary School.

A huge 'Thank you,' to all the dedicated instrumental teachers, to St Hilary Church for the beautiful venue, to the audiences for their encouragement and support, and to all our fabulous young musicians.

We are after teams of six preferably made up of young and older persons! Girls and boys of any ability can have a go at soft ball cricket, playing with their mums and dads? It's all set around the 2019 cricket World Cup going on around the country at the moment. There will also be children's entertainment and face painting on the day as well as BBQ and hot and cold refreshments.

The game between England and India will be on the TV upstairs in the clubhouse. We are after a very family friendly day out enjoyed by everyone. Also all youngsters will be given a World Cup wristband.
