Art and Design at St Hilary School.

Our Art and Design curriculum follows the guidelines from the National Curriculum. From this document, a progression of knowledge, concepts and skills have been set out in our school's art and design

progression document. This shows a clear development of skills and the opportunity for children to be creative in a range of areas such as drawing, painting, sculpture, printing and textiles from the Early Years into Year 1 and continuing into Year 6.

Walking around our school, it is possible to see artwork linked to the termly project. Some of which you can see here. As you can see, they certainly brighten up the

classroom environment and each piece is different as children are given the opportunity to interpret the art in their own way.

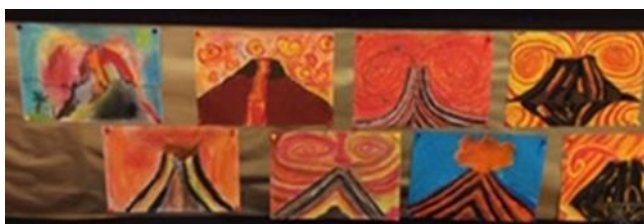

the work produced by Year 2 for their 'Life through a Lens' topic and art work produced by Year 5 was displayed as part of the Viking project in Penzance library.

Not only do we have children that produce such wonderful pieces but our teaching staff have many artistic skills which they share around the school. Not many schools have their own kiln for firing clay!

Mrs Worsey and I have a plan to remember 2020 at St Hilary by producing a piece of art work. We are both looking forward to working with your children on this future art project.

PENZANCE FIRE STATION

A big thank you to Penzance Fire Station for allowing us to park our mini bus in their yard when we attended the Swimming Gala this week.

This Week's Hot Chocolate Friday Winners!

Lily-Rose S was nominated by Mrs Badcock because she can tie her own tie and helped others in her class.

Rosie K was nominated by Miss Jelbert because she made a point of coming into the classroom to say our display looked lovely. Thank you.

The Whole Songfest Choir was nominated by Mrs Eddy because you sang your hearts out and made her very proud!

Paige P was nominated by Mrs Keskeys because she was really helpful and took the First Aid bag up to the Infant playground at lunchtime.

Gethin E was nominated by Mrs Tresidder because he is always on task and ready to learn. Well done.

Jacob S was nominated by Mrs Newing because he was so polite in the corridor

GETTING TO KNOW OUR GOVERNORS

My name is Joher Anjari and I have been a Parent Governor since September 2017 and my areas of interest on the Governing Body include finance and Religious Education. I've taught in Primary Schools for nearly 20 years and now am a SENDCo working in a specialist setting for pupils with moderate to severe learning difficulties. My two children are in Year 7 and Year 4. The thing that I like most about our school is how much the staff invest in relationships with pupils, nurturing each individuals' spark and interest, and agree with Jo A that St Hilary's motto is second to none.

I love being part of this community and to spend time on Perranuthnoe beach.

Marazion Messy Church – Sunday 15th March 4-6pm in Marazion Community Centre. We'll be hearing the bible story of Baby Moses – a story about loving and caring. We'll then be staying with that theme while we make things, sing, pray and eat together. Messy Church is for families who want a different sort of church. Find us on Facebook and at www.mountsbayub.com

FRIDAY 13th MARCH 2020

1.30pm approx start (at St Hilary School field)

St Hilary School will be taking part in the annual mile run/walk in aid of the fantastic cause Sport Relief.

The children can come to school in non-uniform, suitable for sporting activities (as whacky as you like!) and make a donation towards the charity.

If you are available to help 'steward' this event, (marshall on the road etc) please let us know via Dot or your child's school planner.

Many thanks for your continued support.

Family Support Drop in sessions

Our very friendly and approachable family support advisor Mrs Sally Sharp will be holding a drop in session on **Thursday 19th March 2 p.m. - 3.30 p.m.** at school.

She can offer advice and support on a whole range of issues that impact on families and children, including parenting strategies and support for the wider family. So if you would like to speak to someone completely confidentially, or perhaps just need a friendly face to listen to you and work with you to give ideas, then please just pop-in!

UNIFORM SHOP

We will be holding a uniform shop in the staffroom from 3 p.m. until 4 p.m. on **Wednesday 11th March 2020.**

Car Parking

Just a reminder that vehicles should not be parking on our neighbour's grass verge or parking on the road between the first bungalow past the top of the school and the entrance to the houses. Please respect the fact that the grass verges are private property, and also that parking on the road between the aforementioned areas makes it particularly difficult for larger vehicles/emergency vehicles to drive through. May we respectfully ask that you do not park your vehicle past the school premises.

Thank you for your support in this.

PHOTOGRAPH

One of our families very kindly sent in some books for our "Book Donations" box and inside one of them was a photograph of a little girl wearing a pink wool roll neck jumper with Father Christmas. If you think this could be yours please see the staff in the office.

PUPIL CONTACT INFORMATION

As you know we moved to the SIMS Parent Lite app for the purpose of complying with GDPR for collecting and managing pupil data from parents. What this means is that unless a parent comes in to request a paper copy of the data (the old data checking sheets) this is the only way we are informed of any changes.

In order to add/amend the information held for your child you will need to register for the app. This is done from an email that has already been sent, so if possible please could you register as soon as possible. If you have already registered, as a number of you have, **please do not go through the process again.**

The app is available on iOS, Android and a browser. The SIMS Parent Lite app provides a convenient and accessible solution for you to electronically review and request changes to the data held on your children.

Hopefully the instructions on the right will assist you with the process.

WE HAVE HAD A COUPLE OF INSTANCES RECENTLY WHEREBY WE HAVE PHONED PARENTS ON THE MOBILE NUMBER/HOME NUMBER ON THEIR CHILD'S RECORD ONLY TO FIND IT HAS BEEN CHANGED. WE CAN'T IMPRESS UPON YOU ENOUGH ABOUT SIGNING UP TO THE APP IN ORDER TO ENABLE YOU TO MAKE SUCH CHANGES.

Step by Step – Parent and Student Registration

When the parent or student receives their invitation with instructions on how to confirm registration a link and code will be included.

You may want to provide the following instructions to help parents and students with the registration process.

1. Click the link within the email invitation sent by the school. A new browser window will open.
2. Under **Sign In With Account** select the appropriate platform for sign in. This depends upon the type of account the parent/pupil has chosen to use.

3. Enter the user's email address and then click **Next** or **Continue**.
4. Enter the associated password and click **Next** or **Continue**.
5. Enter the **Invitation code** supplied by the school, the **Date of Birth** of the parent or student, and click **Register**.
