'Lift up your hearts. Each new hour holds new chances for new beginnings.'

Maya Angelou

After two weeks back, what has our hopeful new beginning on returning to life at St Hilary meant to everyone here?
The best bit about being back is ...

Being with my friends and seeing my teacher! - Olive

Playing with my friends. - Arwyn

Having fun with friends. - Tilia

Mrs Sandow

Having the whole class back together with smiles, laughter and an abundance of playful learning.

Sennen:

Being able to learn on paper, seeing teachers and staff and being able to learn properly. - Bella C.

The best bit about being back at school is seeing my friends and being back with Miss Worsey. - Archie.

The best bits are seeing my friends again, catching up on my work, having a proper break time and seeing my fantastic teachers again. - Jess.

Miss Worsey:

It is so lovely to have our classroom full of smiles, laughter and learning

I have enjoyed class reading, as we can have a laugh and talk about words. It's just a generally fun time! - Wyatt

Mr L:

It has been absolutely awesome to be able to speak to the class in person rather than on Zoom. To be able to share ideas, thoughts, advice...and to read a decent book together is something that has been a brilliant part of being back at school.

Perran Class

Some of the best bits of being back include being able to chat, play and learn with all our friends and make new ones.

We get to try new sports and do PE. Some of us enjoy going to fun zone again where we draw, play and eat.

Mrs Kemp

It is lovely to see happy beaming faces coming into school. I am very proud of the resilience of the pupils getting back into their school routines again. They have been superstars!

Being able to use the library for our reading books. - Will
 Working with others in the class - Isso

It's lovely to be back in the 'near' normal routine. Seeing and working with the children in the classroom face to face and to be hands on teaching again!

It's been the best seeing all my friends and playing with them. - Bruno N
 Working with my friends and being able to talk through our ideas. - Lily J
 Doing PE all together and doing our clay work. - Neve B

Our 6 Es in action—empathy, equity and ethical!

Helston Cricket Club

Play cricket or looking to start? Helston Cricket Club are currently running youth teams for those aged 5-15 and we continue to welcome all new members, no matter their experience or ability, to our fun and community led club.

All Stars and Dynamos are two ECB driven initiatives to create mass participation with in the youth game. This will be our 2nd year running All Stars, which proved hugely popular in 2019 (pictured above).

5-8 Year Olds

Basic skills sessions packed with fun.
Start dates to be announced.

8-11 Year Olds

Enjoyable 'learn to play' programme.
Start dates to be announced.

U11s, U13s and U15s will begin hardball training the week commencing the 19th of April. Adult training takes place on the same night for those that are old enough and ready for senior cricket. All three age groups have teams entered in to the official youth leagues and play a number of games throughout the summer.

We have also entered a girls/ladies softball team for the forthcoming season and are keen to welcome some new faces to the group. We are hoping to progress this towards entering a hardball team in the near future. Training will coincide with the youth team and senior training stated above.
