Welcome to the new academic year 2021-22

Three days down and I already have so much to report back to you ... but put simply, I am bursting with pride and admiration for the children who have made an absolutely perfect start to the new year.

I will start with our newest recruits in Reception. They have come to school each day beaming, confident and enthusiastic in everything they have been asked to do. Saying good-bye in the mornings, whole school assemblies, lunch in the dinner hall, break times, making new friends and relationships with all of the adults at the school, they have taken it all in their stride and made every one of us here so proud!

The rest of the school have been the perfect role models for our reception children and have (as requested in Wednesday's assembly) shown an immediate commitment to 'being the best we can be!', helping strengthen our amazing St Hilary team and committing fully to every task, challenge and opportunity given by their teachers!

It has also been lovely to meet and re-acquaint with so many of you personally both at drop-off and pick-up ... apologies if I haven't made it to all of you, I'll do my best over the coming weeks.

In light of this being a shortened week, it is a short and sweet newsletter this week. But before finishing up can I thank you all for your understanding and support with the adjustments to our end of day pick-ups – it definitely did feel calmer and smoother on day two, long may this continue. For me, the key to this being thoughtful, sensible and safe parking and road use to ensure our children's safety at the busiest times of the day.

Here's to a great weekend, I reckon after their efforts, the children will sleep well tonight!

All the best
Rob Hamshar

Introductory Class Meetings

I am very pleased that this year we are able to offer an introductory meeting for parents and guardians with each of your children's teachers at the beginning of this new academic year – something we have not managed in recent years.

Rather than specific one-to-one meetings about each of your children, these initial meetings will provide:

- teachers with the opportunity to pass on important information regarding school set-up, class expectations and logistics,
- you, with the chance to ask any early questions, and
- everyone, with the chance to put faces to names!

The dates for the meetings are detailed below and I would encourage as many families as possible to attend. We have tried to spread the meetings out to give families with multiple siblings the chance to get to all appropriate meetings.

At this time, we are requesting that **only one parent from each family** attends and that wherever possible, children do not attend. This will reduce numbers and crowding (in light of the current, local health guidance in place). We fully respect the fact that some of you may prefer not to attend or may be unable to attend; with this in mind all information shared will also be emailed out and also be posted on each class page on our school web site.

All meetings will be in the relevant year group classroom.

BREAKFAST CLUB & FUN ZONE

We are really pleased that parents are using our breakfast and after school club facilities and hope this provides a useful service for you.

However, can I please remind all parents to ensure they book children onto the system in advance for using wrap around care using the School Gateway app. (Pay on the parent pay app as usual.) This will ensure we provide enough staff, food as well as follow appropriate safeguarding procedures. **If you need to make cancellations you are now able to do this yourselves**, but if you need assistance please ring the school office on 01736.763324.

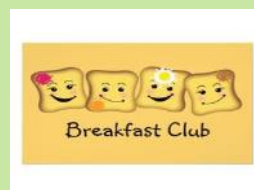

Many thanks for your co-operation.

Kind regards,

Mr Larter

The children will be having their photographs taken next Wednesday 15th September, so if they have any younger siblings who you would like to be taken with them, then please come along for 8.30 am.

Music Lessons

Can you please let the office know if your child no longer wants to carry on with their music lessons. After this, we will then look at timetable space for any children who are interested in starting lessons this year. At this stage children in the junior school will take precedence.

FREE SCHOOL MEALS

So many families will currently be affected by a sudden loss or drop in income. If your financial circumstances have changed, have you considered if you might be eligible for free school meals? During this time, families of children who are eligible are currently receiving fortnightly meals provided by Chartwells to the value of the usual lunches.

Free school meals are an entitlement for any family who receives:
