## Trink Dairy Visit

Prussia Cove and Perran Classes went to Trink Dairy this week on two separate days. On a wet and windy Monday, the children in Perran Class braved inclement weather to visit 320 cows in their field, however on Wednesday, Prussia Cove saw the cows grazing underneath blue, sunny skies! Both classes toured the milking parlour and learnt how the cows are milked, and then followed the journey all the way to the bottling

process before finally sampling the creamiest, delicious milk.

Chris and Rachel Knowles were amazing hosts and talked at length to the children, explaining each stage of milk production. This was a great trip to enhance our 'Food, Glorious, Food project', the children certainly tickled their tastebuds whilst drinking the purest, freshest milk around. Many thanks to our

minibus drivers, parent helpers and of course Trink Dairy who have invited the children and families back at 6:30am in the morning to watch the milking!

## NASAL FLU

Kernow Health were due to deliver the flu immunisation on Monday 7th October 2019 on behalf of NHS England here in school, but unfortunately have had to put this off. They will notify us as soon as they have another date available. In the meantime they will keep our school open online for an extended period for any parents who have not yet opted in for their child to have the vaccine which this year is for all children from Reception to Year 6. The letter you have already received (see below), advises about the vaccine programme and also how to access the online consent form. As in previous years you have to **opt in** if you want your child to have the vaccine. Ignore the sign up by date on the letter, as mentioned above, this has now been extended.

**September 2019**

Dear Parent/Guardian

**Your child's annual nasal flu vaccination is now due**

Kernow Health is delivering the flu immunisation programme in Cornwall's schools on behalf of NHS England. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2019/2020 all children in Primary Schools from **Reception to year 6 (inclusive)** will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please click on the following [link](#) to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate.

We are due to visit your child's school on Monday 7th October. In order to access the online consent form please click on the following link: <https://www.kernowimmunisations.co.uk/forms/flu>

**PLEASE ENSURE YOU QUOTE THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your school is:**

**EE136879**

Please submit your consent form by Monday 30th September to ensure your child receives their vaccination. If you experience any problems accessing the form please telephone 01872 221105/06 and the team will be happy to help. Please note that as in previous years you must **opt in** to the programme. If a consent form is not submitted your child will not be vaccinated.

**If your child becomes wheezy or has their asthma medication increased after you submit this form, please contact Kernow Health on one of the numbers above.**

If you decide you do not want to vaccinate your child against flu, please complete and submit the consent form giving the reason. This will help us to plan and improve the service. Please tell us if you need this information in a different format.

Yours faithfully

## Family Support Drop in sessions

Our very friendly and approachable family support advisor - Mrs Sally Sharp will be holding a drop in session on **Tuesday 15<sup>th</sup> October 2pm- 3.30pm** at school.

She can offer advice and support on a whole range of issues that impact on families and children, including parenting strategies and support for the wider family. So if you would like to speak to someone completely confidentially or perhaps just need a friendly face to listen to you and work with you to give ideas - then please just pop-in!

Also listed below is a list of FREE parenting support groups that are run in the local area. These can be really useful to give ideas and strategies, as well as meet a group of parents that are also in the same boat! If you see one that interests you can self-refer or you can ask either Sally or Michelle Brant our SENDCo ([michellebrant@st-hilary.cornwall.sch.uk](mailto:michellebrant@st-hilary.cornwall.sch.uk)) to make a referral for you. (Please don't worry if it says the course has already started as they will run more.)
