## Perran and Prussia Cove Class Report

Perran and Prussia Cove have had lots of fun exploring concepts of hot and cold through their project 'When does hot become cold?' A trip to the Eden Project proved to be a great way of experiencing both extremes as the children had the opportunity to play on the ice rink and then enter the hot, humid rainforest biome.

Both classes learnt about the Russian artist Wassily Kandinsky and experimented with colour mixing using warm and cool tones. Through the medium of paint and concentric circles the children

recreated his ideas and the results were amazing!

In science, the children investigated the melting of ice. They were set the challenge to find out who could release

the penguin from the ice egg in the fastest time. Lots of discussion about temperature, heat from the sun and the warmth from our hands took place amongst the children and there was a real buzz around the classrooms as they tested out their ideas.

This week both classes visited Mr B's ice cream factory. After sampling ice cream at school and voting on their favourite flavour, the children were asked to invent their own special recipe, creating the unique 'St. Chillary Penguin Surprise.' Before our very own eyes, Nikki from Mr B's used our secret ingredients to make a batch of ice cream for us to sample, it was delicious! We are very excited to announce that Mr B's retro van is coming to St. Hilary and the children will sell their ice cream to pupils and parents as part of our authentic outcome. So, not to be missed next Wednesday 27<sup>th</sup> March at 3.15pm, a chance to buy our scrumptious St. Chillary Ice cream. (£1.50 small, £2 standard cone).

## Easter Egg Raffle

The annual Easter Egg Raffle will take place on the last Friday of term. Tickets will be on sale next week priced at 20p each, but donations of eggs would be much appreciated.

During the next 2 weeks  
25<sup>th</sup> March—5<sup>th</sup> April  
there will not be any after  
school clubs running as  
there are parent/teacher  
meetings.

### Class 4 Gwithian

On Friday 29<sup>th</sup> March, Class 4 will be presenting an assembly to the school about natural disasters. The children have been working together to prepare different aspects of the assembly. They will be selling tickets for 50p (or any contribution, greatly accepted) to the children next week in school. Any money raised from the sale of the tickets will be going to Shelter Box to help them with any disaster appeals.

### This Week's Hot Chocolate Friday Winners!

**Aedan L** was nominated by Mrs Somers for being very brave during the minor first aid he had at lunchtime and for soon smiling again.

**Missy M** was nominated by Mrs Sandow because she is always kind, polite, well behaved and incredibly hard working.

**Theo S** was nominated by Miss Brant because he has become a really active participant in lessons and always gives tasks his "all".

**Stella R** was nominated by Mrs Gardner because she helps every morning counting lunch boxes. I'd be lost without her help!!

**Pippa L** was nominated by Mrs Whipp because she approaches every day with a smile, confidence and independence.

**Ethan C** was nominated by Mrs Ballard because his focus in class this week has been amazing! Keep it up!

**Ben N** was nominated by Mrs Davies because he is always polite in school and in after school clubs. He also played two characters brilliantly.

**Loveday M** was nominated by Mrs Challoner for always being a helpful and kind friend.

We now have a "Twitter" account up and running to share our news and celebrations. Please join us at 'StHilarySchool1'

### Bag2School event...

We are holding a Bag2School collection on Friday 7th June at 9am in the bottom playground. A good way to clear out any unwanted clothes, bags, shoes, towels, bedding etc and help raise some money for school! A bag will be sent home to you closer to the time but bin bags are also accepted!

### Head Lice

We have recently had more reports of children having Head Lice. To prevent the Head Lice spreading, please could you check your children's hair and if any head lice or eggs are found, take appropriate steps to eradicate them e.g. the 'wet-combing' method which involves washing the hair, applying conditioner and combing through with a special 'nit comb'.

**Mr B's comes to St. Hilary.**  
**Perran and Prussia Cove**  
**will be selling their very own**  
**'ST. CHILLARY PENGUIN**  
**SURPRISE'**

**BAND WILL NOT BE RUNNING NOW  
UNTIL AFTER EASTER.**

### SCHOOL MEALS 5 FOR 4

Chartwells, our school meals provider, are running a promotion whereby if your child has meals Monday to Thursday (4 meals) then the 5th meal on Friday is free.

### Car Parking

Please could we remind everyone that parking or stopping on the yellow hatched lines, or in the centre of the car park, is not permitted. Parking like this puts the children at risk as other cars need to manoeuvre around them to leave the car park!

Please help us to keep the children safe.

Also, it has been mentioned to us again recently by our neighbours that vehicles are parking on their grass verges and also parking on the road between the first bungalow past the school and the entrance to the houses. Please respect the fact that the grass verges are private property, and also that parking on the road between the aforementioned areas makes it particularly difficult for larger vehicles/emergency vehicles to drive through. May we respectfully ask that you do not park your vehicles past the school premises.

Thank you for your support in this
