Porthcurno Class update

In Porthcurno Class we have been extremely busy learning about The Big Five this term, did you know that a male lion's roar can be heard up to 8km away?

In P.E. we have attended Penzance Gymnastics Club where we have swung from bars, jumped into the foam pit, made human pyramids, walked on the high beam, performed floor routines, developed our body position, core strength and so much more. Everyone enjoys the sprung floor and the progress made is fantastic. We have also completed our

swimming sessions with everyone jumping in and submerging under the water, swimming like little fish!

Back at school the children have learnt key skills for attacking and defending games such as: Tag Rugby, Hockey and Football. Fitness: Circuit Training and Benchball. Striking games: Tennis.

We have had great fun working together in small groups to build Lego Lions and Crocodiles, programming them to Roar and Snap! The children demonstrated great teamwork and resilience when building the Lego as it didn't always go to plan.

During our Art and DT lessons we have been busy painting African Sunsets, making clay lions, creating Maasai Warrior necklaces, painting African animals for displays, African savannah themed dioramas, 3D models of The Big Five animals. Our next mission is creating miniature model mud huts!

NEW NOTICEBOARD NEEDED!

Are you, or do you know someone, handy? Might you be able to make or donate a new noticeboard for the lower playground?

Our current noticeboard leaks and we need a replacement urgently to be able to promote our activities and keep people updated on forthcoming events. We are looking for something at least A3 size and it must have a plastic or perspex frontage, not glass for obvious health and safety reasons.

If you can help by making, donating or obtaining a discount on a purchase of a noticeboard for us, please notify Dot or email sthilarypta@gmail.com.

Many thanks for your continued support,
PTA

Pasties were taken down the mines by the adults and children who worked there; the shape and size made them ideal for carrying. It's distinctive D shape with the crust acting as a handle, which was discarded to prevent contaminating the food with grubby, possibly arsenic-ridden hands

At Proper Cornish we are passionate about quality pastry, filled with great tasting ingredients, made properly in Cornwall for people who love food.

We are passionate and honest about where our ingredients come from. At Proper Cornish, we believe in supporting our local farmers. Our swede comes from Hayle, courtesy of Trevor Goldsworthy's family run farm, our potatoes come from third generation farmer Chris Dustow from Par and our onions are grown by Anthony West of Torpoint. Cornwall grows some of the highest quality produce in the world, so why go anywhere else?
