Your username: This will be the email address that your setting has registered you with (can be changed later)

Your password*:

*please change your password to something unique and secure when you log in to Tapestry for the first time.

The Home Screen

The screenshot shows the Tapestry Home Screen with the following annotations:

- Observations**: Points to the 'Observations' tab in the top navigation bar.
- Preferences**: Points to the 'Preferences' tab in the top navigation bar.
- Log out**: Points to the 'Log Out' button in the top right corner.
- List of your children**: Points to the 'Children' tab in the top navigation bar.
- Pages with images/videos**: Points to the 'Images' and 'Videos' tabs in the top navigation bar.
- Search**: Points to the 'Search' button in the top right corner.
- List of observations**: Points to the 'List of observations' section in the main content area.

The Preferences Screen

The screenshot shows the Tapestry Preferences Screen with the following annotations:

- List of your children**: Points to the 'Connected Children' section.
- Opt in/Out of emails**: Points to the 'Email Notifications' section.
- Change email address**: Points to the 'Email Address' section.
- Set new password**: Points to the 'Password' section.
- Save preferences**: Points to the 'Save' button at the bottom.

Viewing Observations

To view an observation click on the title of any observation in the obs, images or video tab. You can scroll up and down to view all of the content in the observation.

At the top of the screen you have access to the navigation tabs, and can jump backwards and forwards through observations using the arrows to the right and left side of the screen.

Adding an Observation

Click on the "Obs" tab and then on the "Add Observation" button.

Adding an Observation cont'd..

sunrise - Add Observation

Child 1
